

Dear Friends & Partners;

December, 2016

The deputation road is coming to a close and our next exit will be Bolivia! Yes, in January we are scheduled to land in Tarija and resume the work we have been honored to be a part of. Deputation is about a lot of things. One of the most important is establishing relationships between Missionaries and Churches. We have been honored to visit some great churches and met some truly wonderful people. We are very grateful to God for each person He has brought into our lives while we have been traveling. Many of you have been a real blessing and we want to say "Thank-You" to our many friends; both old and new, for helping us along the way.

Over the last 20 months; we have spent a lot of time talking about going. It is a very exciting time to know that what we have been talking about; we are now going to do. We have been looking at this point in a future tense, now it is present tense. It is here and now and the next letter you receive from us should be written in Bolivia. As we leave, we would like to invite you to take part in the work that we are doing.

Here are some prayer requests... Please pray with us as we go to the field as there are many things we need to get done both before we leave and once we arrive in Bolivia. Another issue is that we will only be allowed 2 suitcases each on the plane; so we have the daunting and expensive task of getting our house set up from scratch. Please pray that we will be able to find what we need once we arrive on the field and have the funds on hand to make the necessary purchases. Lastly, please pray that the immigration process for us will go "without a hitch" and that we can quickly move toward permanent residency.

Please connect with us by going to our newly redesigned website(www.bigdaddymissions.com) and our Facebook page. If you would like to help out with helping us as we leave, please contact us or go to our website to learn the best way to get involved. We look forward to what God will do in Bolivia and we want to thank-you for the role you have taking in seeing that it takes place.

IMPORTANT INFO: You will be able to reach us in Bolivia by calling this US number: **865-238-5040**. It will ring in Bolivia.
