

Dear Friends & Partners;

August 2016

We trust and pray you are well and are experiencing the Lord's blessings as you serve Him! We are pleased to report that we have completed our deputation schedule and are looking forward to what the Lord has in store for us in the coming months. You may recall that this week we are scheduled to depart for Bolivia for a short trip. However, as Robert Burns once wrote; "The best laid plans of mice and men often go awry". In short, we must change our plans for this trip due to a serious illness, car accident, hospitalization, and subsequent surgery for Sandra's mother, Marilyn, this past week. Though she was released late Monday (August 8th) afternoon, she is weak and it will take some time for her to recover. In good conscious, we simply cannot be away from her at this time as she will need assistance in the coming weeks. This trip was important, but it is not essential and we can accomplish the things we planned to do while in Bolivia at a later date.

Lord willing, we should not need to make any further adjustments to our schedule. The first week of September; we will begin our Intensive Spanish refresher course which will last 6 weeks. After this is finished, we will begin the immigration process to live in Bolivia. While this paperwork is being completed, Sandra will undergo a minor surgery and have sufficient time to recover before traveling. Additionally, I will be available to report to some of our churches and visit some new ones while we wait on the Bolivian Consulate to approve our visas. If you would like to have me in for a visit; please let me know.

We praise the Lord that we are currently seeing about 95% of our needed monthly support being sent to us through Baptist International Outreach. Additionally, we have had other Churches and individuals express their commitment to partner with us as we move to the field. Thus, we are confident that by the time we move to Bolivia, we will be fully funded and able to live and work effectively. If you are interested in partnering with us, please go to www.bigdaddymissions.com to see how to best support our work. Thank-you for taking an interest in our lives and the purpose that God has called us to. God has used you to be a tremendous blessing in our lives! We are grateful for you and are keeping you in our prayers as we ask you to pray (especially for Marilyn) with us!
