

JEFF & SANDRA PRICE

SERVING THE LORD IN BOLIVIA

THE FIELD IS WHITE ALREADY TO HARVEST

February 2016

We are steadily moving through our deputation schedule and are pleased to see what the Lord is doing in our lives and work. After checking the data, we can report that two thirds of our needed monthly support is coming into our office at Baptist International Outreach. Though we have been at that number since before Christmas, we have an additional 15 percent that has been committed to our work. So that we can plan accordingly, please advise us if you plan to partner with us.

We have an important Prayer Request to ask you to pray about. We see the need to sharpen our language skills before transitioning to Bolivia. Many Missionaries go to a year long language course in the country of Costa Rica before transitioning into their field of service. It has come to our attention that The International Spanish Language School in Costa Rica also offers intensive language courses. These courses range from 4-8 weeks in length and are geared to help people who already speak Spanish hone their skills with the language. Though we have taught, and I have preached in Spanish, we believe it will be good stewardship to spend time in one of these courses before we actually land in Bolivia. Since our deputation is moving along at a good pace, we believe that we can finish deputation, prepare for our departure, take the language course, and still be on the field in a reasonable amount of time.

There are several classes available throughout the year, and we would like to ask you to join us in praying that the Lord will provide the needed funds for one of these classes and that a schedule can be worked out for us to attend. We believe that doing so will increase our effectiveness as we minister to the Bolivian people.

Deputation has reminded us that our God is great and that there are many wonderful people who love Him and want to see His name proclaimed among the nations. Thank you for being part of that group of people and allowing us to include you in what God is doing in our lives and work. We love and appreciate you!
