

JEFF & SANDRA PRICE

SERVING THE LORD IN BOLIVIA

THE FIELD IS WHITE ALREADY TO HARVEST

March 2016

And the journey continues! In the last year, we have driven over 50,000 miles and visited 104 churches in 20 states. Throughout this process, God has been very good to us and we have seen Him supply over 70% of our needed monthly support. Additionally, we have been informed of another 14% that will be coming in over the next few months. In Gods timing, we are seeing some amazing things take place in our lives and ministry. As we have traveled, you have been a blessing to us and we want you to know that we are very appreciative of your kind friendship, hospitality, brotherhood, and compassion not only for us; but for the Bolivian people as well.

During this time, we have seen several people come to Christ. We have also seen people surrender to serve God with their lives while others have determined to give more of their resources for the purpose of reaching people with the Gospel. It constantly amazes us that all across this great land of ours there are countless brothers and sisters in Christ who are deeply passionate about the Lord and are willing to sacrifice to see that others have an opportunity to hear the Good News. With all that is wrong in our country today; this assuredly is right and good.

We anticipate finishing deputation by the end of July which means we will have been on deputation for a total of 17 months. Being as we expected it to take 24-36 months, we are grateful to the Lord for the manner in which He has united hearts with ours. It is a privilege to watch Him work! As we do, we often remember the song "Great Is Thy Faithfulness" which intones:

Great is Thy faithfulness
Morning by morning new mercies I see
All I have needed Thy hand hath provided
Great is Thy faithfulness, Lord, unto me.

Indeed, God is Faithful. So are you; and we appreciate what you are doing for the Lord!
