

Dear Friends & Partners;

**September 2016**

This letter is being written from the field of Costa Rica in Central America. What a blessing it is to have the opportunity to hone our skills with the Spanish language. Each member of the schools administration, staff, and faculty have been gracious and encouraging! We began with a test and a verbal interview, and within a short period of time they were able to analyze and formulate a plan geared to our present abilities in Spanish. We are looking forward to working through the remainder of the process so that our ability to work with Bolivians and other Spanish speaking people will be improved. Please pray for our Teachers, Oscar Rodríguez and Lissette Matarrita, pictured here.

Princes & Robertsons

Since being in Costa Rica, we Oscar Rodríguez and Lissette Matarrita have connected with Missionaries supported by our home church, Jonathan & Sarah Robertson. They and their children are doing a great job as they plant a new Church here in Costa Rica. It is good to be in their services and meet their people. As we have attended this church and moved about the culture, we are more than ever ready to return to Bolivia.

We would like to ask you to pray for us as we work through this Intensive Course. We believe this step is vital to helping us once we reach Bolivia in just a few short months. We would also like to ask you to pray for our family as we go through the transitions that are before us. Additionally, as you may remember; Sandra has surgery scheduled for November 2nd. Please pray that it will be successful and will bring about the expected results. Thank-you for taking an interest in our lives and the purpose that God has called us to. God has used you to be a tremendous blessing to us, and we are grateful for you!
