"The history of missions is the history of answered prayer!"
Samuel Zwerner

Dear Friends & Partners;

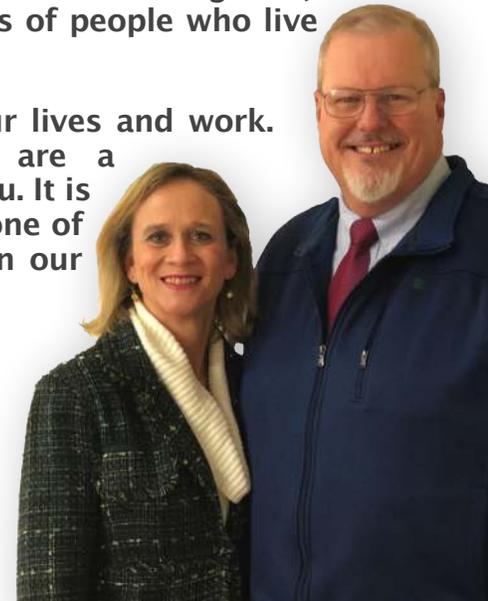

We want you to know that we are grateful for your interest in our work, your partnership in our endeavors, and the kindness you have extended toward us over the years. It is our hope that God is richly blessing you and all that you hold dear.

We are pleased to report that on March 8th, Sandra had the follow-up procedure to the major surgery she had to have in November. All went well, and we are satisfied with the outcome. As we mentioned before, she needs to have her gall bladder removed before we return to Bolivia. That surgery should be performed in mid to late April. We want to say thank-you for praying for her as she will have undergone 3 surgical procedures while we are in the US. The good thing is that all reports are good. She just needed to get some things corrected, and it was much better to have it done while in the States. We will return to Bolivia as soon as possible once she is released by the doctors. We are ready to be back among our Bolivian Brothers and Sisters in the Lord!

As we mentioned last month, we are relocating our building in Tarija to a new lot. We have been given an additional month in the current location, and much work is being done to prepare the new lot as well as finalize a budget to get the work done. Please pray with us as we work through this process. The church continues to grow and strengthen as they move forward.

We also wrote about the new location where we want to begin a Bible study with the idea of eventually seeing a new church planted. The first meeting for this study took place recently with 70 people in attendance! So, we currently have three ministries at work in this community, a children's club, student/young people's ministry, and now the new Bible study. Please pray that this work grows, and the Lord will continue opening the hearts of people who live in this area.

Thank-you again for your interest in our lives and work. Your concern, prayers, and support are a blessing to us, and we are grateful for you. It is our prayer that God richly blesses each one of you as you serve Him. Please keep us in our prayers as we pray for you!

Prayer & Praises

1. We praise the Lord for Sandra's progress.
2. Please pray that the upcoming surgery to remove Sandra's gall bladder goes smoothly.
3. Please remember our Church, Iglesia Bautista Biblica La Luz, in Tarija, Bolivia. Please pray that it will continue to grow as the people continue to mature in their walk with the Lord.
4. Please pray for our upcoming plans for the ministry. Ask the Lord to please give us wisdom, clarity, and direction.
