

Jeff & Sandra Price
Missionaries In Bolivia

July 2016

Dear Friends & Partners;

As we begin the transition into Bolivia, we are reminded that we are at this point because God has included you in some form or fashion in His plan for us to return to work with the people He has called us to reach. We want to say thank-you to each church and individual that has taken an interest in helping us through their support in prayer, finances, encouragement, and in the many unseen acts of kindness toward us as we have traveled, raising support for our work among the Bolivian people. You are a blessing to us.

Recently, we began the process of obtaining Visas, making travel plans, purchasing airline tickets, and planning for what lies ahead of us. As you may remember, we will actually be in Bolivia in August before going to language school for a “refresher course” in Spanish. While we are there, we will be meeting with a man who has asked us to help him in a new church work. We will also begin the process of finding a place to live for when we return to Bolivia on a full-time basis. To help with this, we have already made contact with people who will help us locate a suitable home. Additionally, in June we met with one of our pastor friends from Bolivia that was in the States for a family matter. It was good to hear his heart for what God is doing in his church. It seems that as we draw nearer to our date of departure, God is giving us contact with people in Bolivia who are welcoming us back to the field. At each step, He has gone before us and has prepared people in the States and Bolivia to work with us. We have heard the following saying all of our lives: “the answer is already on the way before we even ask God about it”. That definitely seems to be true in this case. It is refreshing to witness the how the Lord is opening doors for us before we even land on the field. As we finish deputation and travel to Bolivia; please pray for direction, clarity, and wisdom as we navigate our way through this phase of our work.

In about a month, we will be looking at deputation in our rear-view mirror as we program our GPS for Bolivia! Thank you for taking an interest in us. We praise the Lord for you and pray for God’s best in your lives.
