"The history of missions is the history of answered prayer!"
Samuel Zwerner

Dear Friends & Partners;

We trust this letter will find you enjoying the best blessings of God in your life. We want you to know that we are honored by the realization that you are taking time to read our reports, pray, and perhaps support our ministry. We are in Bolivia for Jesus; but are glad to be partnered with you as we work.

Our works are moving forward at a steady pace. The last few months have seen us focused more on our main church work as we get ready to return to the US for medical check-ups and a surgery. We have a fine man named David (with his wife, Rhina) who has 10 years experience as a Pastor overseeing the work while we are gone. With their love and commitment, the church will be in good hands!

An Important Request:

This is a repeat request, but it is important. We would like to ask you to keep Sandra's upcoming surgery in prayer. As you may recall, she is a 6 year cancer survivor. We celebrate that she has remained in good health on the cancer front. However, she has to have an additional surgery related to her original cancer procedure. This surgery is scheduled for November 26th. It is a major surgery and she will have about a 6-8 week recovery period after being in the hospital post-op for a week. We scheduled this surgery to coincide with her annual cancer screenings and physical. All is well, but we remain vigilant with her health. Please pray for her as prepares for "another" surgery.

Jeff & His Class at the Bible Institute

Jeff recently finished teaching a course in the Bible Institute here in Tarija. The class was on the subject of Hell and the students were a real blessing with their zeal to learn.

The 7th through the 9th of September we hosted a leadership training seminar called "The Timothy Institute". We had about 60 leaders from various churches including 14 from our own. The Timothy Institute will meet with us 6 times over the next 2 years. At the end of each class, the leaders propose a project for the Church to focus on. Our leaders made the decision to begin a coordinated outreach effort in the area where the church will relocate to. This began last weekend with a meeting geared for young people in our new area. We were amazed in that there were about 100 young people in attendance.

We continue planning and putting our budget together for the upcoming move of our church. Our people are being challenged to give sacrificially, but we will need some financial assistance to do everything that needs to be done for the move. If you might be interested in helping with this project, please contact us directly, so we can give you further details and show you how you help us reach into this new area with the Gospel.

The Lord has been good to us and we are grateful for the opportunity to serve Him in Bolivia. Knowing that you are praying for us is a huge encouragement, and we thank the Lord for you.
